

## Carnival Nite – 2010

**T**here is no party like the opening Meet & Greet Carnival Nite extravaganza at KRWA's conference. In 2010, more than 1,500 people moved through buffet lines for a great barbecue meal – and plenty of social to go along. Before, during and after the meal, everyone participated in the large Midway trailer games ranging from the Kentucky Derby to the Hi-Striker.

The Cliff Hanger, a big ride that's a challenge to get in and a challenge to get out of Century II, was busier than ever. The roulette wheels and casino games were elbow to elbow; there was Water Bingo, the mechanical bull ride, armchair quarterback, laser sport, a caricartist, photo shoot, and a long line at the palm reader. Participants gained coupons to enter into their choice for more than \$5,000 in prize drawings. It's 3.5 hours of non-stop party, warm hospitality and great fun. It's a one of a kind treat and 2011 will bring an even bigger event. Thanks to the sponsors who helped contribute to the venues and to Ottaway Amusements and Celebrations for making the 2010 Carnival Nite another huge success.
