

McKenzie Metz Awarded State Water Association Scholarship

The Kansas Rural Water Association has announced that McKenzie Metz is the recipient of a \$1,000 academic scholarship from the Association.

McKenzie is the daughter of Greg Metz who is a technical assistant at the Kansas Rural Water Association, and Annette Kohlmeier.

McKenzie has held a high grade point average through high school; she has been on the high honor roll at Washington County High School for four years. She has been involved in a variety of sports activities and lettered in basketball, track and volleyball. She was involved in Fellowship of Christian Athletes (FCA), Family Career and Community Leaders of America (FCCLA), Future Farmers of America (FFA), Future Business Leaders of America (FBLA) for four years and also the Trinity Youth group for four years.

McKenzie plans to attend the University of Kansas and attain a career as a clinical laboratory scientist. She has already completed her CNA class and is working at the care homes in Linn and Washington.

The scholarship is presented to the dependent of an employee of a KRWA member water or wastewater utility or Association employee. The scholarship was established in the name of Dennis Schwartz, long-service member of the KRWA board and leader in national water utility organizations.
